

Maxitrans Culture

The Maxitrans culture is based on values of operational excellence, integrity and ethics, innovation, adaptation, customer focus, social responsibility, teamwork and open communication.

Operational Excellence

Efficiency and efficacy

Our pursuit of operational excellence aims to ensure efficiency and effectiveness in all processes and operations.

Process Optimization

We are committed to continually optimizing processes to achieve the highest standards of quality and performance.

Integrity and Ethics

Transparency

We promote transparency in all our interactions, maintaining high standards of integrity and ethics.

Commitment to Honesty

Our unwavering commitment to honesty is the foundation of our business and personal relationships.

Legal compliance

We strictly follow all applicable laws and regulations, ensuring legal compliance in all activities.

Innovation and Adaptation

1

Culture of Innovation

We are intrinsically shaped by a culture of innovation in search of pioneering and disruptive solutions.

2

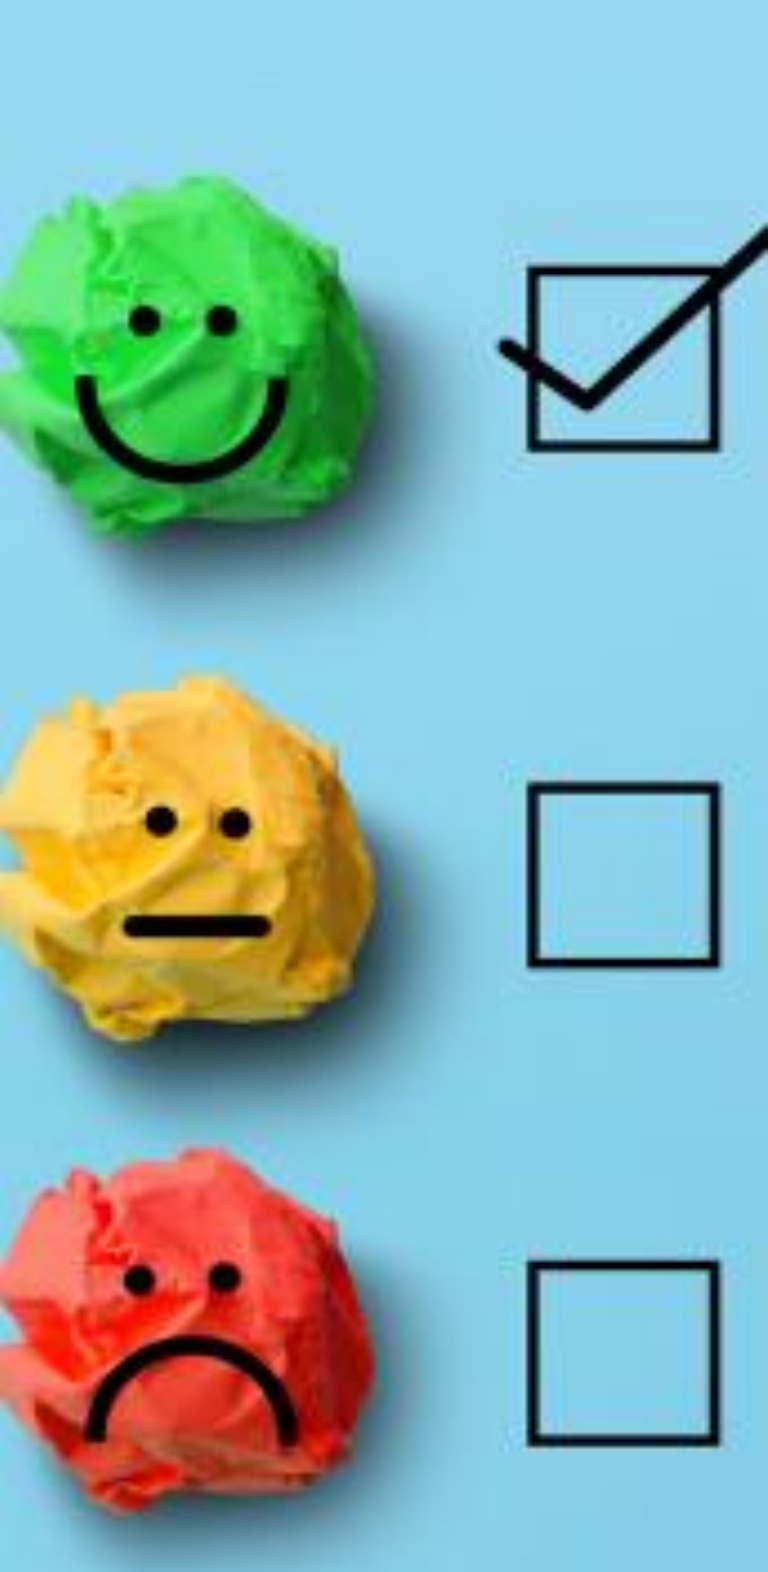

Agile Adaptation

Our commitment to agile adaptation allows us to respond promptly to market changes and customer demands.

3

Openness to Change

We value flexibility and openness to change, allowing us to anticipate and adapt to constantly evolving trends.

Customer Focus

- 1** Exceed Expectations
Our goal is to exceed customer expectations by offering excellence in products and services.
- 2** Deep Understanding
We seek to deeply understand customer needs and challenges to provide relevant and effective solutions.
- 3** Lasting Partnership
We value long-term partnerships, focused on collaboration and mutual growth with our clients.

Social responsibility

Community Engagement

Active commitment to social and environmental causes, contributing to the sustainable development of the communities in which we operate.

Business ethics

We adopt ethical and responsible business practices, aiming for positive impacts on a social, economic and environmental level.

Diversity and Inclusion

We value diversity and promote an inclusive environment, encouraging equal opportunities and innovation.

Team work

Collaboration

We promote a culture of collaboration, recognizing that teamwork enhances the achievement of common objectives.

Trust and Cooperation

We build relationships based on trust and cooperation, which are fundamental to collective success and the achievement of shared goals.

Effective Communication

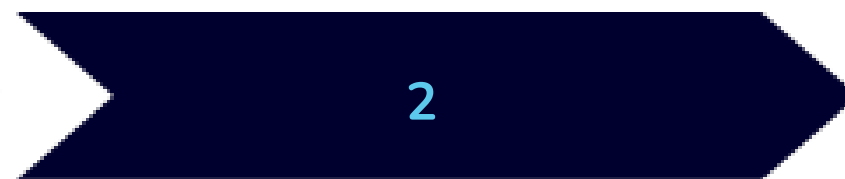

We value effective communication, promoting open and transparent dialogues to achieve cohesive teamwork.

Open Communication

Transparency

Transparency is essential for open and effective communication, building trust and alignment across the organization.

Constructive Feedback

We promote a culture of constructive feedback, encouraging the exchange of ideas and contributions to collective growth.

Equitable Access to Information

We guarantee equitable access to information, strengthening bonds and collaboration between all team members.
