

FOR IMMEDIATE RELEASE

Maxitrans - International Transport & Logistics joins the Prestigious International Trade Council

Maxitrans, a leading International Transport & Logistics company, is excited to announce its new membership with the esteemed International Trade Council (ITC). By joining the ITC, Maxitrans becomes part of a global network of business leaders and government officials spanning across 179 countries.

The International Trade Council is a prestigious organization that fosters international trade and economic development. The council is renowned for providing its members with valuable resources, networking opportunities, and professional support to help them thrive in an increasingly competitive global market.

Maxitrans's membership in the ITC is a testament to its commitment to excellence and growth in the International Transport & Logistics sector. As a member, Maxitrans will have access to a wide range of opportunities and services, including introductions to government ministries, business incubation support for entering the US market, and access to new international trade opportunities. Furthermore, Maxitrans will be able to participate in live web conferences, attend the annual Go Global Awards conference, and gain exposure through the ITC's extensive promotional channels.

As an ITC member, Maxitrans proudly joins the ranks of leading businesses and government officials who are dedicated to promoting international trade and economic development. This membership signifies Maxitrans's continued dedication to excellence, innovation, and global collaboration within the International Transport & Logistics sector.
